1. I agree and commit myself to participate in the 26th European Youth Go Championship, organized by European Go Federation, and to compete with respect for the rules of the tournament and fair play, especially by not using any external help during my games.
2. I carefully read the technical requirements for the tournament, and I confirm that I can use:
  - a) the new Online Go Server account starting with my family name, with my country in the profile, and I will play 5 games using the account before the start of the tournament,
  - b) a Skype account for recording video on the Skype server,
  - c) a shared Google Sheet for following the pairings and entering results,
  - d) an e-mail address for regular communication.
3. In case of any dispute, I will acknowledge the conclusion of the Tournament Committee.
4. I agree that my personal data are used exclusively for the purpose of the tournament and not shared with third parties, according to General Data Protection Regulation (GDPR).
